Based on your financial aid application, you indicated that you did not have a high school diploma or general education degree (GED). To be eligible for financial aid, federal regulations state that a student without a high school degree or GED must demonstrate that they have the ability to benefit from the education that will be provided by Leeward Community College. If you take the COMPASS Placement Test and have the same scores or higher than those listed below, you will qualify for financial aid.

25 on the Pre-Algebra (not Algebra)/Numerical

You will be able to receive information on the COMPASS Placement Test from Leeward CC's Testing Lab by calling 455-0273. The COMPASS Placement Test location is in BE 227. Please be aware that we are unable to take any further action on your financial aid application until your ability to benefit is successfully measured.
